

General terms, advertising information

XiBIT takes the protection of your personal data seriously. We treat your personal data confidentially and in accordance with the legal data protection regulations as well as with this data protection statement.

Surfing on our website is usually possible without providing personal data. The indication of personal data (for example a registration or a web shop accessible to a registered user) is always, as far as possible, voluntary.

The user agrees that XiBIT stores its indicated and existing master and traffic data, as well as data resulting from business relations (e.g. administration, billing, data protection, support, market research, studies, services, for the improvement of services in the automated process and for the improvement of services at all), uses and evaluates it, and to utilize the results thereof (e.g. publish, make available to others).

The registered user also agrees that XiBIT may use the same data to send information about products and services as well as special and advertising campaigns to them, by mail, e-mail, fax, telephone or SMS. Consent may be revoked at any time by the customer by e-mail to office@xibit.at or by postal transmission sent to the address specified in the imprint. XiBIT is also entitled to store and use protocols of the IP addresses within legal provisions. Saved data is adequately protected by XiBIT according to the respective state of the art.

XiBIT is not liable for illegal interventions by third parties (e.g. viruses, hack attacks). XiBIT may use third parties in its services and in the processing of the data, while respecting the relevant provisions of data protection. Users acknowledge that their provided data can be viewed by third persons.

The registered user expressly agrees and resigns the assertion of any requirements e.g. because of infringement of private policy, that data which he provides is stored and can be forwarded to governmental bodies (police, courts, customs authorities, protective association against unfair competition or other institutions, as well as the Austrian advertising council), who inquire concerning contents, which are published and spread via XiBIT and could be against the law. This also includes activities in the area of private electronic communications.

Furthermore, the user agrees to transfer the data to those other third parties whose rights are infringed by the dissemination of content or the unlawful activities set by the customer via XiBIT, or who alleges a violation in a comprehensible manner. This applies in particular in the case of the transfer of data to third parties in the course of a request for information, e.g. §18 (4) ECG.

We would like to point out that data transmission on the Internet (for example, when communicating via e-mail) can have security gaps. A complete protection from the access of data by third parties is not possible.

Forwarding data by clients

Caution: Customers should provide personal information via the platform with utmost care and prudence. XiBIT can not assume any liability for any misuse of the data provided via the platform / other data provided. It is expressly pointed out that personal data, which is published via the Internet or made available to others, are no longer subject to confidentiality. In this case, XiBIT does not have any influence on third party compliance with data protection regulations.

SSL encryption

This site uses SSL encryption for security reasons and to protect the transmission of confidential content, such as when registering and in the webshop registered for registered users. You can see an encrypted connection when the URL of the browser changes from "http: //" to "https: //" and by clicking on the lock icon in your browser line. In the case of active SSL encryption, transmitted data can not be read by third parties.

Cookies

Partially our website uses so-called cookies. Cookies do not damage your computer and contain no viruses. Cookies serve to make our offer more user-friendly, effective and safer. Cookies are small text files which are stored on your computer and which your browser saves. Most of the cookies we use are so-called "session cookies". They are automatically deleted after your visit. Other cookies remain on your device until you delete them. These cookies allow you to recognize your browser on the next visit. If you want to be informed about the setting of cookies, you can set this up in your browser and allow cookies only in individual cases. You can exclude the acceptance of cookies for specific cases or in general, as well as activate the automatic deletion of the cookies when closing the browser. When deactivating cookies, the functionality of our website may be restricted.

Contact & support form

If you send us an e-mail via the support form, your details from the inquiry form, including the contact details you provide, will be stored with us for the purpose of processing the inquiry and for the case of any further questions. This data will not be passed on without your consent.

Newsletter data

If you would like to receive our newsletter, we need your e-mail address and information that will allow us to verify that you are the owner of the e-mail address and agree to receive the newsletter. Further data is not collected. We use this data exclusively for sending the requested information and do not pass it on to third parties. You may revoke your consent to the storage of the data, the e-mail address and its use for the sending of the newsletter at any time, for example, via the "unsubscribe" link in the newsletter.

Privacy Policy for using Google Analytics

This website uses features of the web analytics service Google Analytics. Provider is the Google Inc., 1600 Amphitheater Parkway Mountain View, CA 94043, USA. Google Analytics uses so-called "cookies". These are text files that are stored on your computer and allow you to analyze the use of the website. The information generated by the cookie about your use of this website is generally transferred to a Google server in the USA and stored there. For more information about how to deal with Google Analytics user data, see Google's privacy policy:

<https://support.google.com/analytics/answer/6004245?hl=de>

Browser Plugin

You can prevent cookies from being saved by setting your browser software accordingly; However, we would like to point out that in this case you may not be able to fully utilize all the functions of this website. In addition, you can prevent Google from collecting and processing the data (including your IP address) related to your use of the website (including your IP address), as well as the processing of this data by Google by downloading the browser plug-in available under the following link and install: <https://tools.google.com/dlpage/gaoptout?hl=de>

Contradiction against data collection

You can prevent the collection of your data by Google Analytics by clicking on the following link. An opt-out cookie is set which prevents the collection of your data on future visits to this website: <https://tools.google.com/dlpage/gaoptout/>

Privacy Policy for use of Wordpress Stats

This website uses the WordPress Tool Stats to evaluate visitor accesses statistically. The supplier is Automattic Inc., 60, 29th Street # 343, San Francisco, CA 94110-4929, USA.

Wordpress Stats uses cookies, which are stored on your computer and which allow an analysis of the use of the website. Cookies generated by the use of our website are stored on servers in the USA. Your IP address will be anonymized after processing and prior to storage. If you want to be informed about the setting of cookies, you can set this up in your browser and allow

cookies only in individual cases. You can exclude the acceptance of cookies for specific cases or in general, as well as enable the automatic deletion of cookies when the browser is closed.

When deactivating cookies, the functionality of our website may be restricted. You may object to the collection and use of your data for the future by placing an opt-out cookie in your browser by clicking on this link: <https://www.quantcast.com/opt-out/>
If you delete cookies on your computer, you must set the opt-out cookie again.

Data protection for the use of Facebook plugins (like button)

On our pages, plugins from the social network Facebook, provider Facebook Inc., 1 Hacker Way, Menlo Park, California 94025, USA, are integrated. You can recognize the Facebook plugins on the Facebook logo or the "Like-Button" on our site. An overview of the Facebook plugins can be found here: <http://developers.facebook.com/docs/plugins/>

When you visit our pages, the plug-in creates a direct connection between your browser and the Facebook server. Facebook will be informed that you have visited our site with your IP address. If you click the Facebook "Like button" while you are logged in to your Facebook account, you can link the content of our pages to your Facebook profile. This allows Facebook to associate the visit of our pages with your user account. We would like to point out that as a provider of the pages we are not aware of the content of the transmitted data as well as their use by Facebook. For more information, see Facebook's Privacy Statement at <http://de-de.facebook.com/policy.php>

If you do not want Facebook to associate the visit of our pages with your Facebook user account, please log out of your Facebook user account.

Privacy Policy for the use of Twitter

Functions of the Twitter service are integrated on our sites. These features are offered by Twitter Inc., 1355 Market Street, Suite 900, San Francisco, CA 94103, USA. By using Twitter and the "Re-Tweet" function, the pages you visit are linked to your Twitter account and shared with other users. This data is also transmitted to Twitter. We would like to point out that as a provider of the pages we are not aware of the content of the transmitted data as well as their use by Twitter. For more information, see Twitter's privacy policy at <http://twitter.com/privacy>

You can change your privacy settings on Twitter in the account settings at: <http://twitter.com/account/settings>.

Privacy Policy for using Google+

Our pages use Google+ features. Provider is the Google Inc., 1600 Amphitheater Parkway Mountain View, CA 94043, USA. Capture and share information: The Google + button lets you publish information worldwide. The Google + button gives you and other users personalized content from Google and our partners. Google saves both the information that you gave +1 for a content, as well as information about the page you watched when you clicked +1. Your +1 can be used as clues along with your profile name, and your photo in Google services, such as search results or your Google profile, or elsewhere on websites and ads on the Internet. Google collects information about your + 1 activities to improve Google services for you and others. To use the Google+ button, you need a Google public profile that is visible all over the world, which must contain at least the name you choose for the profile. This name is used in all Google services. In some cases, this name can also be used to replace a different name that you used when sharing content through your Google Account. The identity of your Google profile can be displayed to users who know your e-mail address or have other identifying information from you. Use of the information collected: In addition to the uses outlined above, the information you provide will be used in accordance with the applicable Google Privacy Policy. Google may publish aggregated statistics on users' + 1 activities, or pass them on to users and partners, such as publishers, advertisers, or related sites.

Privacy Policy for using YouTube

Our website uses plugins from Google's YouTube site. The site is operated by YouTube, LLC, 901 Cherry Ave., San Bruno, CA 94066, USA. If you visit one of our XiBIT sites with a YouTube plugin, it will connect to the YouTube servers. The Youtube server is informed which of our pages you have visited. When you are logged in to your YouTube account, YouTube allows you to link your surfing behavior directly to your personal profile. You can prevent this by logging out of your YouTube account. For more information about handling user data, please refer to the YouTube Privacy Policy at:

<https://www.google.de/intl/de/policies/privacy>

Information, deletion, blocking

You may at any time, free of charge, obtain information about your personal data stored at XiBIT, its origin and recipient, and the purpose of data processing. You may also request correction, blocking or deletion of this data. Please do not hesitate to contact us at any time.

XiBIT will always delete user/customer accounts if it turns out that the user infringes the actual terms of business and the private policy or violates the law, the morality, the image or the interests of XiBIT or a partner company or by disturbing the functionality of the website by his behaviour. In this case XiBIT may furthermore block the user, delete entered objects and exhibitions or other content and terminate the contract. The registered user has no claim for

PROFESSIONAL

INDUSTRY
TOURISM

compensation. All fees due by the customer up to this point in time will be charged to XiBIT and vice versa. With the termination of the contract all claims for further payments expire. In the case of termination of the account, blocking of the customer, deletion of objects or exhibitions or other set contents as well as setting of the service, XiBIT is entitled to delete all recorded data (also photos) without any claim for compensation. XiBIT reserves its right to delete user accounts which are inactive for more than three years, including the associated content.

Customers can delete their customer accounts by sending an e-mail with the at XiBIT registered email address and the subject "delete account" to kuendigung@xibit.at. After receiving the cancellation XiBIT sends promptly a notification of the successful deletion.
